CAADC, Inc. Home Weatherization Program

Weatherization services are available through winter, spring, summer & fall seasons. Apply today!

If you qualify, you may receive the following free services:

- Home Energy Audit
- Diagnostic Air Flow Testing
- Weather Stripping & Caulking
- Heater Inspection, Service, Repair or Replacement
- Attic Insulation
- Window & Door Repair or Replacement
- Refrigerator Evaluation
- Energy Conservation Education

How To Apply.....

You can print an application from our website at www.caadc.org, or call the Weatherization Assistance Program at (610) 521-8770 for an application to be mailed out to your home.

You can also apply in person at our office located at 94 Jansen Avenue in Essington, PA 19029.

Who Is Eligible.....

All Delaware County Residents Homeowners & Renters

You may *automatically* qualify for our services if anyone in your home has received any of the following over the last 12 months prior to the date of your application:

- LIHEAP
- SSI
- Cash Assistance

You may also qualify if you meet the current program income guidelines. Please refer to the income chart on the reverse side of this brochure.

What Happens Next.....

- Intake staff will work with you on ensuring the completion of your application.
- Applications are subject to approval based on receipt of appropriate documentation.
- If your application is approved, the state will assign a priority number to your case. This number is based on household composition, income level, energy usage, and other contributing factors.
- Based on the assigned priority number, you will be scheduled for a home energy audit. At this audit, our inspector will determine what work needs to be completed and supplies will be ordered.
- Work will be completed to your satisfaction.

And Then.....

You can look forward to warmer winters and cooler summers in your energy efficient home!

On average, Weatherization services will lower your energy bills by an estimated 20-30%. Weatherization can do that!
